

Dear Adoption Advocate,

Thank you for your interest in having a *Wait No More: Finding Families for Waiting Kids* event in your area. The first step in the process is to fill out the attached application. We are thrilled with the response we have received from organizations around the country that desire to see waiting kids if foster care find their permanent families.

Our goal through *Wait No More* is to raise awareness of and recruit families for children and youth waiting in foster care. In order to do that most effectively, we evaluate states based on three main criteria:

1. State and/or county government support of this effort
2. Faith-based or faith-competent licensed child placing agencies with state contracts to place children in care as well as the capacity to handle additional families
3. Local church and pastor support to host and promote the event

This form serves as an overview for us to begin that evaluation process. Please fill out the form as honestly and accurately as possible, providing supplementary documentation where necessary. We will carefully review each application before final decisions are made.

Current capacities allow Focus on the Family to conduct 3-4 *Wait No More* events a year, and we want to select locations that are equipped and ready to serve families well through this whole process.

Thank you for taking the time to submit an application. Please feel free to contact me with any specific questions you may have.

Sincerely,

*Katie*
